ABOUT US

LOCATIONS

Our company was first released in 2009. We have been bappily producing our unique coffee beans since. You will find our style of bean is unlike anything you have ever tried before. We guarantee this, or we will refund you in full. Our beans are available for purchase through both here on our website and at our various locations throughout the United States.

PROJECT TIMELINE

November 24: Begin coding project HTML sheet

- Title text
- Explanation paragraph at bottom of page

November 25: Code navigation bar without links, as the project requires only one main HTML page

-Thanksgiving Break in California-

November 29: Finishing touches of project

- Insert main coffee photograph
- Insert shopping cart image on top right
- Code CSS page, specifically altering the fonts of all text
